

Spring mountain motor sports

March 28 and 29th

Our second event of the season will be held at Spring Mountain Motor Sports Ranch just 50 miles outside of Las Vegas. This private country club facility is quickly becoming the gold standard in club racing. It boasts five different track configurations, members' clubhouse, gym, racquetball court, gun range, and private garages. It is home to three driving schools Lotus, corvette and radicals. In addition a fourth school will be announced shortly. For this event we will be running the famous 3.1-mile track configuration both days. Our time trial and club race will take place the second day. I am excited to have you join us and look forward to a great event.

Sincerely,

Jim Navarro
